## Taliaferro &amp; Long, 600 CRAWFORD STREET, CORNER KING, PORTSMOUTH, VA.

TATE MAY NOT HANG. Tate said his dream had been fully realized, he having seen just such action on the part of the Governor when dreaming of the horrible ordeal the law had imposed upon him. He felt mighty good, and breathed an earnest prayer in appreciation of the cheering news he had heard.

RESPECTED. The Virginian-Pilot received a special telegram last night from Richmond, which stated that Governor Tyler had decided to respite Tate for thirty days.

UNIFORMED KNIGHTS PTHIAS. Portsmouth Company No. 15, U. R. K. P., Captain Frank Vaughan commanding, will, the evening of November 22d, celebrate the fifth anniversary of its birth.

The committee of arrangements has been in session, and from the members of it it has been learned that it will be an evening of rare pleasure, devoted principally to matters pertaining to music and literature, concluding with a banquet of the kind for which this company is noted.

MOUNTAIN MINDED MEN. Rev. T. Skinner, pastor of the Berkeley Avenue Baptist Church, will be the speaker at the meeting for men in the Y. M. C. A. building this afternoon. The life and character of Martin Luther will be the subject. This evening on "Mountain-Minded Men" is proving very interesting and helpful. The song service, conducted by Prof. Dunbar, will begin at 4 o'clock. All men are invited.

The Boy's Gospel Army will meet at 3 o'clock.

## A DAY IN THE WORLD OF SPORT

Fierce and Furious Contests Between College Football Elevens.

## ECHOES FROM THE TURF

The University of Virginia Team Sends Blacksburg Home to Practice—Pennsylvania and Michigan's Close Score—A Final Championship Game—Columbia Downs West Point.

(Special to Virginian-Pilot.) University of Virginia, Nov. 11.—One of the finest and fiercest games was played here to-day.

The much exploited Blacksburg team, heralded as the finest team in the South—the eleven who vaunted that they would down Virginia's colors—were snuffed under by a score of 23 to 0.

They put up a plucky game, however, but the dash characterizing Virginia's play to-day would have won against any team. The remarkable run of Gerstie, culminating in one of ninety yards for a touchdown; the beautiful work of Lloyd, Griffin, Byrd, Lankford, the tackling of Lee, Taylor and punting of Coleman made the game altogether one of the finest ever seen on these grounds. Enthusiasm runs high and a great mass meeting will be held to-night. Line-up:

Virginia. Position. Blacksburg. Coleman.....Full Back..... Carpenter, Summersell.....Right End..... Lewis, Henderson.....Left End..... Cox, Haskell.....Right Tackle..... Cox, Norfleet.....Centre..... Montgomery, Griffin.....Left Guard..... Casper, Taylor.....Left Tackle..... McCormick, Taylor.....Left End..... Jewell, Nalle.....Quarterback..... Bell, Mallory.....Right Half-back..... Hardaway, Gerstie.....Left Half-back..... Hubbard, Touchdowns—Gerstie, 2; Lankford, 1; Coleman, 1; Byrd, 1; Goal—Coleman, 2; Umpire—Mr. Wertenbaker.

## PENNSYLVANIA AGAINST MICHIGAN

(By Telegraph to Virginian-Pilot.) Philadelphia, Pa., Nov. 11.—In the fiercest game played on Franklin Field this year the University of Pennsylvania football team this afternoon defeated the University of Michigan eleven by the close score of 11 to 0. The game was a royal battle from start to finish, and was marked by both brilliant and poor playing by both teams. Pennsylvania earned her victory because she had to play harder for her two touchdowns than did Michigan. The Michigan team made most of its gains on runs around Pennsylvania's left end, which was lamentably weak, while Pennsylvania had to gain her ground by force plunging through the line.

COLUMBIA DOWNS WEST POINT. West Point, N. Y., Nov. 11.—In a furious game of twenty-five and twenty minute halves Columbia defeated West Point by a score of 16 to 0 on the parade ground to-day. West Point played a good game, but was unable to prevent Weeks, Morley and Landon from forcing her line and circling her ends for tel. gains. Weeks especially, by his squiring, wriggling, dodging tactics, excited the wonder of the spectators and the discomfiture of the Cadets. A light steady rain prevailed which made the ball hard to hold and fumbling was a marked feature of the game.

## FINAL CHAMPIONSHIP GAME.

New Haven, Conn., Nov. 11.—In her final game before the championship contest with Harvard, Yale this afternoon easily defeated the Pennsylvania State College eleven at football by the score of 42 to 0, thirty points being scored in the first half. The fastest kind of football was played by the Sons of Eli, who carried the visitors off their feet for good gains time after time.

## HARVARD BEATS DARTMOUTH.

Cambridge, Mass., Nov. 11.—Harvard beat Dartmouth to-day on Soldiers' Field, 11 to 0. A drenching rain fell before and during the game. In spite of the utmost care the field was a mass of mud, the slippery ball causing constant fumbling and spoiled all accurate kicking. The weather kept down Harvard's score, although Harvard played a wretched game after the first two minutes.

## INDIANS TAKEN INTO CAMP.

New York, Nov. 11.—The Princeton football team took the Carlisle Indians into camp on Manhattan Field this afternoon, but had a difficult time doing it. Princeton scored two touchdowns, one in each half, and the goals were successfully kicked, making the total at the finish 12 to 0 in favor of the Tigers. The result, while not unexpected, was a crusher, just the same for the red men. Their victory over Pennsylvania and their double score against Harvard warranted a better showing than they put up such a formidable game that they proved themselves worthy of the respect which is paid them in the football world.

## PEOPLES' FORUM.

NOTE.—The People's Forum being freely open to all parties, classes, persons, views and capacities, the Virginian-Pilot is responsible for none of the statements nor opinions expressed therein, nor for the style in which they are set forth. The ignorant and uneducated shall be heard here equally with the learned.

## Water for the City Park.

Editor Virginian-Pilot:

In the report of the proceedings of the Common Council in your paper last Wednesday it was stated that the Park Committee of Councils had been authorized to enter into a contract with the Norfolk County Water Company to furnish the city park with water at the rate of 15 cents per thousand gallons. It also appears that this proposition was accepted instead of the previously submitted proposition, that the city extended a small pipe from the nearest city main into the park, thus securing a water supply there. The Common Council appropriated \$1,000 to carry into effect this contract.

Now the city of Norfolk has just spent \$250,000 on its water plant, one of the best in the South. It is the boast of the present administration of this department that the water supply of Little Creek and Lakes Lawson and Wright is sufficient for the city of a quarter of million of people. The water comes from surface drainage, the cheapest kind of supply. Yet, with this magnificent water plant just completed, the city finds itself contracting for water to be furnished by a private company which has but shortly given its appearance. Norfolk has water to spare, yet she will pay a handsome price to have her Park, just on the city's border, supplied with this necessity. A three-inch pipe run from the main nearest the Park, as was first proposed, would have furnished an abundant supply of water there for years to come, and not a cent's extra expense would have been incurred save for laying the pipe, and the infinitesimal amount incurred by its construction. It is understood that the reason given for declining the first proposition and accepting the one which involves the contract with a private company was that it was cheaper for the city! Cheaper in that it would take, perchance, a couple of thousand dollars to lay the pipe to the Park and connect it with the hydrants, etc! Presumably no thought is given to the fact that the \$1,000 appropriated will supply the Park with water only for a short period, and that another appropriation will be asked ere long. If it was consistent to tax posterity to the extent of \$250,000 (in quarter of a million of dollars) in order to secure an unlimited water supply, (and no doubt was) why is it not equally consistent to spend a couple or even three thousand dollars to give the benefit of this supply to the Park, instead of paying for it by piecemeal to a private corporation?

The only hypothesis upon which this contract can be made to appear advantageous to the city's standpoint is that the Norfolk County Water Company, which, it is said, digs into the ground for its water, can furnish the city of Norfolk with this necessity cheaper than we, who get it from surface drainage, can furnish it to ourselves. If this is true of a small private company, what is the matter with the administration of our city water department? It has been given all that it has asked for, and in the annual report of the Commissioners, published a couple of months ago, the Councils were acquainted with the fact that the city would probably be called upon for \$50,000 to help the department—which of all others should run itself—meet its expenses.

And, by the way, your paper's report of this same Council meeting said that the Water Commissioners asked Councils to investigate the meter system. From their annual report, and the newspapers accounts, it has long been known that the Commissioners are in favor of putting in the meters, and in their communication to the Councils they virtually agreed that this should be done "to give the water."

Verily they fear that 75,000 people will use the supply for 250,000. When the meter question strikes the Councils in its full force, however, they may obviate all trouble by giving the city waterworks over to the demitition bow vowing, and let a private company furnish the citizens water at 15 cents or more per thousand gallons.

## "A TAXPAYER."

## DAUGHTERS OF THE CONFEDERACY

A Touching Letter from the Widow of President Davis.

## WILL SELL BEAUVOIR

She is Grateful for the Love and Esteem Manifested for Winnie—Proposition to Establish at Beauvoir a Home for Confederate Soldiers and Sailors—Election of Officers—Next Meeting Place.

(By Telegraph to Virginian-Pilot.)

Richmond, Va., November 11.—At the morning session of the convention of the United Daughters of the Confederacy the following letter was received from Mrs. Jefferson Davis:

"To the Daughters of the Confederacy. My Friends and Countrywomen:

"Accept my grateful acknowledgments and those of my daughter, Mrs. Hayes, for the splendid manifestation of your love and esteem for my Winnie. For the short remnant of life left to me it will be a never-failing source of happiness to me and to her sister.

"Another and ever-recurring source of satisfaction to us is that you have graciously assumed the controlling and active interest in the effort to build the Confederate monument to my husband's memory. Such a manifestation of approval from his own beloved people will be the richest heritage you could confer upon his child and her descendants.

"Whether your noble efforts are crowned with success or not, we shall know, and your patriotic hearts are in the work and love you for what you have striven to accomplish.

"I thank you with all my heart for your loving welcome and hospitality during our visit here, and beg you to believe me with cordial appreciation."

## TO BUY BEAUVOIR.

The convention endorsed the movement of several gentlemen to buy "Beauvoir" and turn it into a home for Confederate soldiers and sailors.

Mrs. Davis offers to sell Beauvoir for that purpose for \$25,000. The idea of the promoters of the scheme of purchasing it is at present to issue certificates of \$1 each and sell them throughout the South. It is probable that General Fitzhugh Lee, General Joseph Wheeler or some distinguished Confederate will be asked to accept the position of president of the association, which will be known as the Southern Home Association of Confederate Veterans, and that vice-presidents will be appointed in each State.

## CONFEDERATE TREASURE HOUSE

Mrs. Parks offered the following, which was adopted:

"The purpose of each State division of the United Daughters of the Confederacy appoint a museum committee of three, of which the State president shall be a member ex-officio; the State Regent shall be chairman and the other two members shall be appointed by the State president. This committee shall have charge of the interests of the museum and keep it before their State division.

"I move, further, that each State president shall, after presenting the matter to her State convention, recommend the appropriation of a sum of money to be expended according to the financial condition of her treasury, for the running expenses of her sacred Treasure House, which expense has heretofore been borne by the Confederate Memorial Literary Society alone.

"I further move that each State president shall recommend that each annually a sum of money be set apart for the maintenance and enrichment of the room appropriated to its own State."

## ELECTION OF OFFICERS.

Mrs. John C. Brown moved that Mrs. E. G. Weed, Jacksonville, Fla., wife of Bishop Weed, of Florida, be elected president of the United Daughters by acclamation. This was done, amid great enthusiasm.

The other officers elected are:

Mrs. William Reed, New York, first vice-president.

Mrs. E. McCullough, Staunton, second vice-president.

Mrs. John K. Hickman, Nashville, Tenn., recording secretary.

Miss Mary F. Meares, North Carolina, corresponding secretary.

Mrs. Jefferson Thomas, Atlanta, Georgia, treasurer.

Montgomery, Ala., is to be the next meeting place.

## FLORIDA DAUGHTERS.

Pensacola, Fla., Nov. 11.—A call for a joint meeting of the Daughters of the Confederacy, Ladies' Memorial Association and Confederate Veterans, was issued to-day. The meeting is to be held at 2 o'clock, to improve and beautify R. E. Lee square, in which stands the Confederate monument.

## PORT NORFOLK

Capt. Frank L. Rumble, of Chicago, has decided to locate at Port Norfolk, and will become a member of the real estate firm of J. T. Sheets & Co.

The Atlantic and Danville trains arrive and depart from the Southern Railway's terminus at Pinner's Point. All trains stop at Port Norfolk for passengers.

The Norfolk and Carolina Railway has double-tracked as far west as the electric power plant.

Clairborn Bros., of Newport News, have opened a real estate office at Pinner's Point.

More than 200 new residences have been erected the past season at Port Norfolk and Pinner's Point.

The Norfolk and Carolina Railway is building a new pier at Pinner's Point.

S. L. Foster & Sons will begin laying granolithic pavement on the lands of the Port Norfolk Investment Company's property this week.

The County is improving Florida avenue by grading the street and making an oyster-shell driveway.

## BERKLEY NEWS AND ADVERTISEMENTS

New Buildings and Enterprises Springing up on Every Side.

## Condition of Mr. Fred Smith—A Fatal Accident—Paralyzed at Lynchburg—Football Team Organized—Religious Notes.

Berkley is distinctly showing evidences of its growth. In every direction may be seen new buildings, both business and residential, in course of construction. On Berkeley avenue Mr. H. J. Wicks has nearly completed a handsome residence, which will be an ornament to that part of the town. On Main street Mr. D. C. Foreman has begun a modern residence and on Clifton, Liberty and other streets are residences in different stages of completion. The new bank and postoffice building has the walls up and will probably be ready by first of the year. The stock for the bank was quickly subscribed for and as much more capital could have been easily raised. The International Lumber Company is progressing nicely with their large plant. The brick walls of several of their mills can be seen from a distance. This company expects to employ from 200 to 300 people, and will be a valuable industry for the town. The Tuntis Lumber Company is building a large lumber shed for storage of lumber, which is reported to be the largest in this section. This firm is full of business. Their shipments by water and cars are very heavy. In fact, the lumber business is extremely active with all the mills. They are humming, some of them nightly, as well as daily.

The Virginia Sawmill Company was loading to-day the schooner Charles T. Strann at the Tidewater wharf. The cargo was mostly of six quarter N. C. pine, and of the finest quality, being well manufactured, bright, thoroughly dry, wide widths. We understand this lumber commands about \$25 per thousand feet. The lumber men are having their business now after a long siege of no profits. We hope they may continue to prosper, for they employ an army of laborers, to whom thousands of dollars are paid weekly, which flow immediately into the channels of trade.

## MR. SMITH'S CONDITION.

Mr. Fred Smith, who was seriously injured in a fall received while at work on the Southern Railway's new buildings at Pinner's Point Friday afternoon, was taken to St. Vincent's Hospital, Norfolk, yesterday, and when heard from last night was still in an unconscious state. A fracture of the skull was found in his skull. His condition is thought to be serious. Dr. R. L. Payne, the company's physician, is still in attendance, and trepanned the skull yesterday.

## A PAINFUL ACCIDENT.

Mr. David T. Murden, who resides on Eleventh street, met with a painful accident Thursday last, which resulted in the breaking of his right leg. This unfortunate gentleman was working at the time of the accident in Messrs. Batchelder & Butt, in Princess Anne county. He was brought to his home and the broken limb set by Dr. C. F. Newbill.

## PARALYZED.

The many friends of Mr. A. P. Ellington will be pained to learn that he was stricken with paralysis while visiting relatives at Lynchburg. Mrs. James McCoo, daughters of the afflicted man, heard yesterday for that city to attend his bedside.

## FOOTBALL TEAM.

A number of young men met Friday night and organized a football team. Their average weight is 150 pounds. The line-up will be as follows:

R. E. Joe Bell; R. T. Irving Duncan; C. O. C. Allen; L. G. Joe Phelps; L. T. Harry Shipp; L. E. James Whitehurst; Q. B. Henry McDonough; R. H. Jesse Bliven; L. H. George Sykes; E. B. Howard Bell. Capt. The team is now open for challenges.

## RELIGIOUS NOTES.

Rev. T. C. Skinner, pastor of the Berkeley Avenue Baptist Church, will lecture at the Portsmouth Y. M. C. A. this afternoon at 4 o'clock. His theme will be "The Life and Character of Martin Luther."

The Ministering Circle of King's Daughters will hold their regular monthly meeting Monday afternoon at 3 o'clock, at the home of Mrs. George Wallace, on Berkeley avenue.

Rev. George W. Cox, of Lambert's Point, will address the regular monthly Missionary Society of the South Norfolk Baptist Church at 3:30 o'clock. A special musical program has been prepared for the occasion.

At the meeting of the Junior Christian Endeavor Society of Main Street Christian Church this afternoon at 2:30 o'clock the following program will be carried out: Ten minutes song service, recitation, by Florence Colver; address, by Prof. Newman; recitation, by Lena Hall; recitation, by Lillie Yeo; solo, by Joe Phelps.

## FURNITURE AND STOVES.

Our stock is complete. Everything in fine and medium priced goods. The largest line ever shown in Berkley. New, nobby and up-to-date. Prices low, quality considered. A call solicited.

## W. L. BERKLEY &amp; CO.

Waverley Building, 103 Chestnut St., Berkley, Va.

PHONES—SOUTHERN STATES, 1246; B. ELL, 641.

## CANNON BROS.,

—DEALERS IN—

Anthracite Coal, Lump and Pocahontas Steam Coal and Natural Ice.

We keep our coal under shelter, so that its free from the weather, thus avoiding a certain amount of loss to the consumer, at the same time giving you a clean coal and weight. Favor us with a trial order.

WAREHOUSE AND ICE HOUSE, FOOT OF CHESTNUT STREET, 0623-su-1f

## PERSONAL NOTES.

Rayner, the little son of Mr. and Mrs. T. C. Humphries, was taken quite ill yesterday.

A frigate occurred in South Norfolk yesterday afternoon between two white men. Beer bottles and clubs were used freely for a few minutes. When the row ended the participants went off each with a sore head.

Since Mr. and Mrs. Wicks have put in his fall and winter stock his store presents a most pleasing effect to housekeepers. On entering, to your right, will be seen a beautiful variety of styles in bed room sets, rockers, easy chairs and wardrobes.

To the left will be found an extensive line of sideboards, china, closets and book-cases, together with a handsome line of china and glass ware. Our readers will do well to call and examine his stock and compare prices.

Mr. W. B. Dougherty is making a specialty of hats this week in the gent's ladies' department, and in the ladies' department he is giving special bargains in ladies' dress goods. He has new goods in the above lines. Call and see him. His "ad" will be found in this issue.

Go to Mr. L. P. Ely's, in South Norfolk, and get in the watch deal.

Mr. H. Goodman is making special drives in sideboards and bed-room sets. Don't forget that Mr. Edwards, the bicycle man, has music for graphophones, whenever it is wanted.

Go to Mr. J. L. Jocko's, whenever building material and fuel is needed.

Cannon Brothers added to their bins 312 tons of coal last week, and can give the smallest prices.

## BERKLEY ADVTS.

PICKED UP ON THE BERKLEY RIVER, one canoe, sunk and abandoned, which the owner can have by proving property and paying charges. Apply to W. C. PARKER, Berkley, Va. no2-1m
